ROOM TYPES

STANDARD

economical and functional

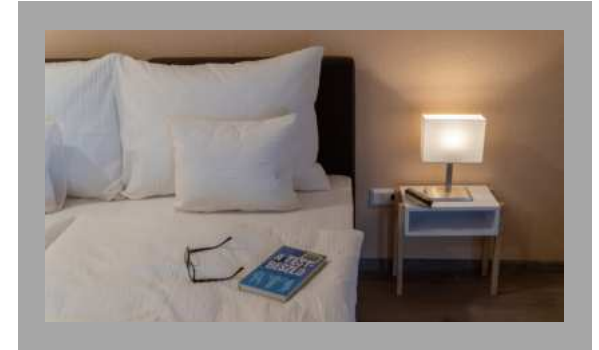

Our standard rooms are the perfect choice for 1 or 2 guests for short stays. The rooms are furnished with comfortable 90 x 190 cm beds, which can easily be converted into double beds. Standard rooms are located on the first floor, providing natural light through skylights. Although our standard rooms have smaller floorspace and more functional furnishings compared to their higher category counterparts, we do not compromise on the quality of available services.

DELUXE

comfort and tranquility

Deluxe rooms are available in comfortable sizes, most with pleasant views and a private terrace facing our inner garden. They are an ideal choice for two guests, even for longer stays. Our deluxe rooms feature comfortable, large single beds, which can also be converted into double beds upon request. The private bathrooms are equipped with showers and hairdryers, and we also provide toiletries.

SUPERIOR

luxury and indulgence

We recommend our superior rooms to guests who wish to spend their time in maximum comfort at our guesthouse. They are also ideal for families, as an extra bed - recommended for children up to 12 years old - can be comfortably accommodated for an additional fee. Our superior rooms feature private bathrooms with showers, equipped with hairdryers, and we also provide toiletries. These rooms are facing to the garden and have balconies, located on the first floor.

DINING

Our own on-site restaurant, Epres72 Bistro, ensures full dining services tailored to the needs of business travelers and participants of corporate events, based on individual preferences.

1

A LA CARTE DINING

Our restaurant offers bistro-style dishes and seasonal specials, always providing something new for returning and long-term guests.

2

BUSINESS MENU

Upon request from our corporate clients, under certain conditions, we also offer the possibility to create a business menu.

3

BUFFET BREAKFAST

For our hotel guests, a plentiful buffet breakfast - featuring both cold and hot dishes - is available to start the day successfully.

4

CATERING

According to the client's preferences, we undertake the full organization of corporate events, whether it's providing coffee breaks or hosting gala dinners.

EVENT VENUE

Trust us with the organization of your corporate event, and we will assist you with comprehensive attention to detail from planning to execution to ensure the success of the event!

For the organization of your events, we provide the most advanced conference technical equipment and impeccable catering upon request.

Tailoring to the types of events, we offer various coffee break setups, cold or hot buffet lunches and dinners, 2 or 3-course meal options, mixed grill platters, or à la carte dining, depending on the number of attendees and preferences. Despite our wide selection, we are open to realizing your unique ideas whenever possible.

Our staff and kitchen equipment are capable of serving up to 200 guests simultaneously, whether it's a standing reception or a full gala dinner.

SERVICES

CATERING/HOSPITALITY

The gastronomic experience and excellent service are ensured by the entire staff of our on-site restaurant, EPRES72 Bistro.

Adapting to the client's preferences, we undertake the complete organization of catering, whether it's providing coffee break setups or hosting gala dinners.

EXPERT TEAM

Our event organizer colleague and her team pay attention to every detail to ensure the success of the event from planning to execution. We undertake the realization of specific ideas, but you can confidently rely on our expertise as well!

MODERN TECHNOLOGY

Our air-conditioned halls are equipped with modern conference technology. Audio equipment, projector, and projection screen contribute to the success of presentations, courses, and conferences.

EASY ACCESSIBILITY

Our event venue is located in the center of Vecsés, easily accessible by car and public transport, it is just a few minutes' drive from the Vecsés junction of the M0 motorway and Liszt Ferenc International Airport.

ELEGANT INTERIOR

The interior design of our event halls combines elegant and modern elements, impressing participants and business partners without the need for extra decoration. The setup can be adjusted to the client's needs.

PARKING

We can provide parking for organizers and guests in our CCTV covered inner courtyard and in front of the building. Stopping is also possible in the solid-surface parking lots opposite our building, free of charge.
